Engine	Volvo Penta D4 300HP Top speed 26.5 knots
No. of engine(s):	2
Length (LOA):	41ft / 12.49m
Beam:	13ft / 3.96m
Fuel tank:	220 gal / 1000 litres
Water tank:	95 gal / 423 litres

The aft cabin layout of the Westwood A405 gives masses of living space, comfortable for inland use, whilst the semi displacement hull makes for practical coastal use.

The signature feature of the new A405 is the large bathing platform and panoramic transom window which is both elegant and practical. Combined with the bonded windows and saloon skylights the A405 is stunning inside and out.

Luxury without compromise, the A405 offers owners a home away from home. This A405 offers a stylish saloon, spacious galley and dinette, forward double cabin with separate WC and large master cabin to aft with ensuite and separate shower compartment.

Boaters can take in the scenery by day and night in the spacious and cosy aft cockpit area with seating for up to 6 people.
